

Certificate

Best Poster Prize for

Oleksandr Pylypovskyi

Participant at the 736. WE-Heraeus-Seminar on

Magnetism at the Nanoscale: Imaging - Fabrication – Physics

06 – 08 January 2021
online via *MeetAnyway*

Scientific Organization:

Dr. Jakob Walowski, Universität Greifswald / GER
Dr. Felix Büttner, Helmholtz-Zentrum Berlin / GER
Dr. Bastian Pfau, Max-Born-Institut Berlin / GER

January 2021

The organizers

The WE-Heraeus Foundation supports research and education in science, especially in physics.
The Foundation is Germany's most important private institution funding physics.
